Item II **The Interpretation and Standard Provisions (Bailiwick of Guernsey) Law, 2016**

The following Amendment was received from Mr McDowall, Chairman of the Policy & Finance Committee:-

"I have read the recent letter from the Bailiff of Guernsey about the Interpretation and Standard Provisions Law. I am very disappointed in the presentation of Interpretation and Standards Provisions (Bailiwick of Guernsey) Law 2016 as a mere routine tidying up and standardisation exercise. It has important and constraining impact on the interpretation on existing legislation and future legislation which may be enacted by the States of Alderney.

I propose the following amendment to Billet Item 2: "that the Interpretation and Standard Provisions (Bailiwick of Guernsey) Law 2016 is referred to the States of Alderney Policy and Finance Committee to assess the impact on current legislation and the constraints it may impose on future legislation."

*Amendment Proposed by Mr McDowall, seconded by Mr Simonet
Approved unanimously*
