## Press Release

### Death of former Guernsey Deputy and Chief Minister, Laurie Morgan

I regret to announce that I have today learned of the death yesterday of Laurie Morgan.

Laurie was a highly respected former Guernsey politician who, among his many roles, served as that Island's Chief Minister. He was a true friend of Alderney, ably assisted by his wife Wendy who served as a States Member in both Alderney and Guernsey.

On behalf of the States of Alderney, I wish to express our deepest condolences to Wendy and the family and to record our heartfelt appreciation for the time and effort Laurie invested in our Island.

Ian Tugby  
Vice President
