EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations amend section 1(2) of the Renewable Energy (Alderney) Ordinance, 2008 ("the Ordinance"). This subsection provides for an exemption from the licensing requirements in the Ordinance for a renewable energy activity carried out in relation to renewable energy systems which heat water for the sole use of premises in which they are installed or which generate electricity (not fed into a network for public supply) and have a rated maximum output of no more than 20 kilowatts. The effect of the amendment is to extend the exemption from systems, any part are which are located at sea, to all systems, including solely land based systems.

These Regulations come into force on the [] day of [], 2018.
