L	for the alteration of a building, other than an alteration falling within any other sub-category to this Table, where the estimated cost of the building work is £10,000 or more, for each of the same	£500

#### NOTES TO THE TABLE OF FEES

##### **Retrospective applications.**

1. Where a deposit of full plans is made in respect of building work or a material change of use which has been carried out without approval of plans required under the building regulations the fee payable, to the extent that such plans relate to such work or change of use, is double that otherwise payable in accordance with this Schedule.

##### **Building work or a material change of use in more than one sub-category.**

2. (1) Where the deposit of full plans is made in respect of more than one sub-category of building work or material change of use listed in the Table, the fee payable is, subject to the following provisions of this Schedule, the aggregate of all the fees payable in respect of the building work or material change of use in question.

(2) Despite subparagraph (2) –

(a) where a category or sub-category of building work or material change of use is described as including works associated with that building work or material change of use a separate fee is not payable in respect of those associated building works where they also fall within another category or sub-category of the Table, and

(b) where demolition is necessary to carry out building work falling within any category of this Table no additional fee is payable in respect of that demolition.

##### **Category 2.**

3. (1) Where a deposit of full plans relates to building work falling within category 2A to E in relation to – (a) more than one extension to the same building the fee shall be calculated by aggregating the floor area of all extensions created or formed by the building work or material change of use,

(b) more than one building, a separate fee is payable in respect of each building.

(2) The building work specified in category 2F is charged under that category and not under the appropriate general category for an extension of the appropriate floor space in 2A to E.

##### **Interpretation of Schedule.**

4. In this Schedule, unless the context requires otherwise –

"associated building work" means any building work which can reasonably be regarded as necessary to carry out the description of building work or material change of use in question and related terms shall be construed accordingly,

"estimated cost" means such reasonable amount as may be charged by a person in business to carry out the work in question,

"retaining wall" means a wall built to support a mass of earth, soil or rocks on one side of it where the difference in level supported is greater than 450 millimetres, and

"controlled service or fitting", "conservatory", "demolition", "floor area", "material alteration" and "sun lounge" have the same meanings as in the building regulations.

**\*A charge will be levied in accordance with The Sewerage (Alderney) (Service Charge) Ordinance 2009 upon the building beginning to be served by a public sewer.**
