

States of Alderney

Press Release

For immediate release: 30 October 2019

The Policy & Finance Committee welcomed Ursula Tebbet-Duffin from the Ministry of Justice to their Meeting on 24th October. Ms Tebbet-Duffin is a Senior Policy Advisor within the Crown Dependencies Team and the lead responsibility for Alderney forms part of her responsibilities. She thanked Alderney States Members for inviting her to attend the Policy & Finance Committee and paid tribute to Alderney's character, beautiful scenery and people. In explaining her role she drew attention to the importance the Ministry of Justice places on its responsibility for good government in the Crown Dependencies on behalf of the Queen. She said she was pleased to see the recent steps taken by the States of Alderney towards good government by revising its Code of Conduct and committing to a separation of the legislature and executive."
