

Press Release

Immediate Release

Date: December 13th 2019

Ambulance subscriptions scheme continues

Alderney residents have been assured that subscriptions paid for the service will be honoured and the scheme will continue in 2020.

This follows proposed changes to the management of the island's ambulance service following a review into its operation.

Alderney Ambulance Service Limited (AASL) has agreed to hand over its resources to the States of Alderney to ensure a seamless transition.

Under the terms of an initial letter of agreement dated 11th December 2019, AASL and the States of Alderney have confirmed that the current ambulance subscription regime will be in place for 2020.

All 2020 ambulance subscriptions that have been paid to date will be honoured.

Ambulance subscriptions for 2020 can continue to be purchased from Shirley's in Victoria Street during opening hours.
