The 'Alderney Spirit' – A Community Response

In order to respond to the developing situation, I am asking for your help.

As we move forward, we will require an army of volunteers to help support our vital services and ensure that whatever support is needed across the community, we can deliver it.

Here are some examples of how you can help:

- *telephone-chat-support for those isolated or home alone*
- *chef/cook/cleaners/carers to support the Hospital, Care Home, home meal deliveries*
- *dog walking/essential deliveries and collections i.e. library books, shopping*
- *rostering, administration*

If you can help, please email the following information to alderneyspirit@outlook.com or call [Gabrielle Tate on 07781 440269](tel:07781440269):

- *Name*
- *Contact Number*
- *What role you can offer*
- *When you can do it*

NO CONTRIBUTION IS TOO SMALL. WE CAN ALL HELP IN OUR OWN WAY.

Ends
