55D. (1) The States may meet remotely.

(2) A member of the States, the Greffier or the person presiding in the States shall be treated for all purposes of or under this Law as present in a remote meeting of the States (including, but not limited to, the purpose of forming a quorum in accordance with section 45(3) or 55F) if, by means of electronic communications or telecommunications or otherwise –

(2) The President shall make directions as to the manner in which proxy arrangements under subsection (1) shall operate in relation to an Authorised Absence.

(3) Despite section 55D(2), reasons for an Authorised Absence may include where a member is absent for only part of a meeting of the States because it is necessary or expedient for the purposes of other States business or a member is unable to vote remotely due to a failure in telecommunications, electronic communications or other means of communication.

(c) is able to vote by means of electronic communications, telecommunications or otherwise on that day.

(3) The Greffier shall inform the person presiding at the meeting of the States of the name of each member of the States who has made a declaration under subsection (2), and the person presiding shall state that those members are present and instruct the Greffier to keep a record of that fact in the Official Report.

(4) Arrangements made by the Greffier shall include arrangements for members to make a declaration under subsection (2) after proceedings of the States have started; and the President may admit such a member to the remote meeting at any time.

55J. (1) A member of a committee of the States or the Chief Executive acting as clerk of the committee, who is in communication with other members of the committee by telephone, live television link or any other means

of telecommunications or electronic communications, so that each member of the committee can hear or read what is said or communicated by each of the others, is deemed, subject to subsection (2), to be present in person for all purposes relating to a meeting of that committee including calculating the quorum at the meeting under subsection (5).

(2) In the event that a means of communication referred to in subsection (1) fails, is corrupted or the person presiding at the meeting in accordance with section 50(3) ("**person presiding**") considers that confidentiality is compromised, the person presiding shall have the discretion to determine at any time during the course of the meeting that the member, or the Chief Executive acting as clerk of the committee, who is affected by that failure, corruption or compromising of confidentiality is no longer deemed to be present in person at the meeting.

(3) For the avoidance of doubt, a determination under subsection (2) does not affect the validity of the proceedings of the committee for any purpose prior to the making of that determination.

(4) The reference to the "Chief Executive acting as clerk of the committee" includes any person appointed as the Secretary of the Committee or a person acting in that person's stead as referred to in rule 7 of the Rules of Procedure for States' Committees.

(5) The quorum at a meeting of a committee of the States is one half (or the nearest number above one half) of the number of members of the Committee including the person presiding.

(2) Regulations made under subsection (1) shall be laid before a meeting of the States as soon as possible after being made: and if at that meeting or the next meeting the States resolve that the regulations be annulled, they shall cease to have effect but without prejudice to anything done under them or to the making of new regulations.
