Item I **Emergency Powers (Coronavirus) (General Provision) (Bailiwick of Guernsey) (No.6) Regulations, 2021**

The following letter was received from Mr Bill Abel, Chairman of the Policy and Finance Committee:-

“These Regulations are emergency regulations made by the Civil Contingencies Authority under Part 3 of the Civil Contingencies (Bailiwick of Guernsey) Law, 2012 (“the Law”). They are made on the occurrence of an emergency, within the meaning of the Law, in the Bailiwick arising from the urgent need to prevent, control or mitigate the spread of the virus Severe Acute Respiratory Syndrome Coronavirus 2 and the disease caused thereby, COVID-19 (referred to together in these regulations as coronavirus). They are prefaced with a statement by the Civil Contingencies Authority, as required by section 12(2) of the Law. COVID-19 was made a notifiable disease for the purposes of the Public Health Ordinance, 1936 on 10th February 2020.

These Regulations revoke and re-enact (with modifications) regulations previously made by the Civil Contingencies Authority in respect of the coronavirus pandemic.

These Regulations came into force on the 21st May, 2021 and shall have temporary effect only in accordance with the provisions of section 16 (duration and scrutiny of emergency regulations) of the Law.

Part I - screening, assessment and powers to detain etc.

This Part places a requirement to self-isolate on persons arriving in the Bailiwick, enables the Medical Officer of Health to place restrictions and requirements on other persons who are or who may be infected with coronavirus, and makes provision in respect of related matters, including powers for the Medical Officer of Health to impose screening requirements, to detain people and to require people to self-isolate. The provisions also create criminal offences and confer powers of enforcement on police officers, and provide for applications to vary or revoke requirements or restrictions imposed under this part to be made to the Royal Court.

Regulation 4 gives effect to Schedule 1, which makes provision in respect of Critical Workers. A person who has been granted a Critical Worker Exemption will have to self-isolate in accordance with, and otherwise comply with, the provisions of Schedule 1.

Schedule 2 to these regulations, which is given effect by regulation 5, provides for shorter periods of self-isolation to be undertaken by persons who arrive from a place specified as a Category 2 country or a Category 3 country on the States of Guernsey website, and who elect to comply with the restrictions and requirements set out therein. It includes a transitional provision in respect of Category 2 country arrivals who arrived in Guernsey before the regulations came into force.

Finally, this Part also provides that a person of 12 years or over who chooses not to take both a day of arrival test for COVID-19 and a test on day 13 after arrival will have to self-isolate for 21 days; otherwise, a person who does undergo those tests is required to self-isolate until receipt of a negative result for the day 13 test. A child under 12 has to self-isolate for 14 days after arrival.

Part II — miscellaneous and final

Schedule 3 to these Regulations, which is given effect by regulation 18, sets out the modifications to be made to mental health legislation having effect in the Bailiwick. Paragraphs 4 and 5 modify the Mental Health Review Tribunal Procedure Rules, 2012 to provide that the Mental Health Review Tribunal may properly be constituted according to specified criteria.

Regulation 19 provides for the deemed variance of Long Term Employment Permits, Medium Term Employment Permits and Short Term Employment Permits, to allow the holder to be resident without being employed and to be employed by a different employer from that specified in the Permit; and for the modification of the Population Management (Guernsey) Law, 2016 and other legislation to the extent necessary to give effect to this.

I would be grateful if “The Emergency Powers (Coronavirus) (General Provision) (Bailiwick of Guernsey) (No.6) Regulations, 2021” are placed before the next meeting of the States of Alderney with an appropriate proposition.

Bill Abel, Chairman”
