

# Aerial / Satellite Dish Fitter.

London House are looking for someone to join the team and carry out the installation and replacement of Aerial and Satellite systems on the island. This is a part time position with flexible hours according to demand, although a full or part time position could be created to include deliveries and shop assistant work to make up the hours if a full time position is required.

Applicants should be physically fit and have a current driving license.

A head for heights would be an advantage although training will be given in safe working at heights and safety equipment will be provided.

We have a flexible approach to this position and hours and salary are both open to discussion.

# Part time Shop Assistant

London House are looking for a part time shop assistant to join the team. This is a temporary position to cover maternity leave but it could become a permanent part time job sharing position in the future.

Contact Letitia Flatres at [lhoffice@suremail.gg](mailto:lhoffice@suremail.gg) or call into the shop.
