EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations are emergency regulations made by the Civil Contingencies Authority under Part 3 of the Civil Contingencies (Bailiwick of Guernsey) Law, 2012 ("the Law"). They are made on the occurrence of an emergency, within the meaning of the Law, in the Bailiwick, arising from the urgent need to prevent, control or mitigate the spread of the virus Severe Acute Respiratory Syndrome Coronavirus 2 and the disease caused thereby, COVID-19 (referred to together in these regulations as coronavirus). They are prefaced with a statement by the Civil Contingencies Authority, as required by section 12(2) of the Law. COVID-19 was made a notifiable disease for the purposes of the Public Health Ordinance, 1936 on 10th February 2020.

These Regulations further amend the Emergency Powers (Coronavirus) (General Provision)

(Bailiwick of Guernsey) (No. 9) Regulations, 2021. The amendments standardise the entry requirements for all Blue Arrivals (defined as, persons (other than children) who have arrived in the Bailiwick after spending all of the period of 14 days immediately before arrival in a Blue List Country and who have a full vaccination history), regardless of whether they have spent time in Jersey in the 14 day period before their arrival in the Bailiwick and make relevant consequential amendments.

These Regulations come into force on 23rd August, 2021, and shall have temporary effect only in accordance with the provisions of section 16 (duration and scrutiny of emergency regulations) of the Law.
