EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations are emergency regulations made by the Civil Contingencies Authority under Part 3 of the Civil Contingencies (Bailiwick of Guernsey) Law, 2012 ("the Law"). They are made on the occurrence of an emergency, within the meaning of the Law, in the Bailiwick, arising from the urgent need to prevent, control or mitigate the spread of the virus Severe Acute Respiratory Syndrome Coronavirus 2 and the disease caused thereby, COVID-19 (referred to together in these regulations as coronavirus). They are prefaced with a statement by the Civil Contingencies Authority, as required by section 12(2) of the Law. COVID-19 was made a notifiable disease for the purposes of the Public Health Ordinance, 1936 on 10th February 2020.

These Regulations amend the Emergency Powers (Coronavirus) (General Provision) (Bailiwick of Guernsey) (No. 10) Regulations, 2021. The amendments remove the requirement that a person's vaccine against coronavirus be administered in a specified jurisdiction for him or her to benefit by having a "full vaccination history" under and for the purposes of the regulations, and provide for a list of vaccines approved for the purposes of the Regulations to be published on the States of Guernsey website.

These Regulations come into force on 23rd September, 2021, and shall have temporary effect only in accordance with the provisions of section 16 (duration and scrutiny of emergency regulations) of the Law.
