### **BILLET D'ETAT FOR 17<sup>TH</sup> SEPTEMBER 2008**

Members of the States:

I have the honour to inform you that a Meeting of the States will be held at 5:30pm on Wednesday 17<sup>th</sup> September 2008. This will be preceded by the People's Meeting, which will be held on Wednesday 10<sup>th</sup> September 2008 at 7:00pm in the Island Hall.

Sir Norman Browse  
President

#### **Item I**      **Chief Pleas**

#### **Item II**      **The Harbour Dues, Fees and Charges (Alderney) (Amendment) Law, 2008**

The following letter has been received from Mr Willmott, Chairman Policy and Finance Committee:-

"Section 5(a) of the Harbour Dues, Fees and Charges (Alderney) Law, 1984 provides that dues and fees may not be increased to an amount greater than four hundred per centum of the rate of such dues or fees at the date of the Law coming into force. The effect of this, almost a quarter of a century later, is that no further increases can be introduced unless the Law is amended. The 1984 Law was itself passed to overcome a similar problem in the provisions of its predecessor, the Harbour Dues (Alderney) Law, 1971. The Harbour Dues, Fees and Charges (Alderney) (Amendment) Law, 2008 will, if approved, repeal the four hundred per centum provision in section 5(a). I attach a copy. I would be grateful if you would place this before the States with an appropriate proposition.

R G Willmott  
Chairman"

Section 35(2) of the Alderney Road Traffic and Public Highways Ordinance, 1966 provides that regulations made under the Ordinance be laid before the States as soon as may be after the making thereof and, if at that meeting or the next subsequent meeting, the States resolve that the regulations be annulled, the regulations shall cease to have effect. I will recommend that the States resolves not to annul them.

I would be obliged if the Alderney Road Traffic and Public Highways (Amendment) Regulations, 2008 are placed before the States at its next Meeting together with an appropriate proposition.

W Walden  
Chairman"
