NOTES TO THE TABLE OF FEES

Maximum fee per application

1 The relevant fee payable in accordance with the table and these notes is subject to a maximum of £200,000 per application.

Retrospective applications

2 Where an application is made in respect development or other work which has been carried out without permission or in breach of any previous permission, including any condition of approval, the fee payable, to the extent that such application relates to such development or work, is double that otherwise payable in accordance with this Schedule.

Proposed development within more than one sub-category.

3 Where the application includes development or other work falling within more than one sub-category of the fees table then, subject to the other notes to this Schedule, the fee payable is calculated by adding the fees for each relevant category or sub-category together.

Demolition and associated works.

4 Despite paragraph 3 -

(a) Where a category or sub-category of development or other work is described as including works associated with that development or work a separate fee is not payable in respect of those associated works where they also fall within another category or sub-category to the Table, and
(b) where demolition is necessary to carry out other development or work falling within any category of this Table no additional fee is payable in respect of that demolition.

Interpretation.

5 In this schedule –

“**associated works**” means any works which can reasonably be regarded as necessary in order to carry out the description of development or other work in question and related terms shall be construed accordingly.

“**floor area**” means the gross aggregate of the area of all new floors created or formed by the development or other work, measured internally (from the eaves in the case of additional floor area in a roof space), including any floor area covered by internal walls or partitions.
