Business Development Tourism and Marketing Committee: Press Release

For immediate release: 12th May 21014

Norma Paris, elected to the States in April has now joined the Business Development, Tourism and Marketing Committee (BDTMC). At the BTDMC meeting on Friday 9 May, it was agreed that Mrs Paris would take special responsibility for tourism issues within the committee. Committee Chairman, Neil Harvey, said 'We are delighted that Norma Paris is joining us, and her depth of experience in the aviation industry will be a great asset to the committee and the States over the coming months'.

-Ends-
