Dear Mr Trought

I would like to thank you on behalf of all the personnel at RAF Odiham, for your kind words following the loss of our colleagues who were tragically killed whilst serving on Operations in Afghanistan.

It has been a difficult time for all at Royal Air Force Odiham, as well as the wider Military family. It is touching to see and receive such gracious support from the local community, other Military stations and the families of those who have lost a loved one previously. I know that all my personnel here, soldiers, airmen and women, gain much comfort in the knowledge that they are in your thoughts at this difficult time.

Again, my sincere thanks to you and for taking the time to write to us.

Yours Sincerely

Richard Maddison
