Press Release

Death of Air Marshal Peter Walker Lt Governor of the Bailiwick of Guernsey

It is with great sadness and regret that we inform islanders of the death of His Excellency Air Marshal Peter Walker, Lt Governor of the Bailiwick of Guernsey, in the early hours of this morning, Sunday 6th September.

Mr Walker was a great friend to Alderney and Guernsey and his support and wisdom will be sorely missed.

Our thoughts are with the Lt Governor's wife Lynda, their three children and immediate family at this sad time.

W Stuart Trought
President
