Dear Mrs Blanchette

As President of the States of Alderney and on behalf of the States Members and the Island Community we would like to convey our sincere condolences to you and to the French community in Guernsey following the appalling attacks which took place in Paris on Friday night.

There are no words to describe the horror we all feel. We can only give our heartfelt sympathy to the friends and families of all those who were so cruelly and unfairly targeted.

Along with the rest of the world, we join in pledging our full support at this turbulent time.

Yours sincerely

W Stuart Trought
President, States of Alderney
