Item III **Questions and Reports**

Questions from Mr Snowdon for the Chairman of Policy & Finance Committee:-

1. Could the P&F Chairman update on the biodiversity public consultation currently taking place?
2. Do we have any updates and impacts on the cost of living crisis, particularly energy costs for the island in the coming months?
3. With the States of Alderney support for the event, would the Chairman like to express our thanks and praise to the new Alderney Week team for putting together the 'Greatest Show' theme which was a tribute to the late Ray Parkin (former States member) and agree strong transport links are critical for events like this?

Questions from Mr Snowdon for the Chairman of General Services Committee:-

1. Can the GSC Chairman outline the current position with Bird Flu affecting bird stocks?
2. Would the Chairman like to express his appreciation for the engineering involved in building the Alderney Breakwater as we mark the 175th Anniversary. Does his committee have any updates about the current conditions of the breakwater from Guernsey's Committee for the Environment & Infrastructure?

Responses to the questions above were given verbally and will be available in due course on the Hansard Report for this meeting.
